

EARLY ACTION ON DEBS' PARDON IS FORECAST HERE

Daugherty Gives No Hint of What His Recommendation Will Be, However.

By International News Service.
Significant moves by officials of the Department of Justice today appeared to be a forerunner of early action in the pardon case of Eugene V. Debs, Socialist leader, now being considered by Attorney General Daugherty.

Attorney General Daugherty, returning from a week-end stay at Baltimore, again delved into the record of the case, and prepared to put the finishing touches on his report to the President. There was no hint either from Daugherty or other responsible officials, how soon the Attorney General's recommendations may be transmitted to the President. Emphatic denial was given the suggestion that the President would pass upon the question of clemency for Debs during the present week.

The Attorney General is awaiting a special report from Heber Votaw, Superintendent of Prisons, now at Atlanta, attending a session of the Federal Parole Board. This report, based upon Votaw's talks with Debs, and a close study there of some of the issues in the case, may not be forthcoming for a week, and may await Superintendent Votaw's return to Washington, with a personal report to the Attorney General.

Whatever may be done in the case, it is believed in reliable circles that the Attorney General's decision will determine the future of most of the remaining appeal cases, involving political prisoners, who are serving varying lengths for violation of the Espionage Act, and other war-time laws. These offenders have the right to parole or full pardon in the Department of Justice.

CALLS FIFTH AVE 'W' ON NOSE OF PROC

MIDDLETOWN, N. Y., July 5.—A patriotic discourse in St. Methodist Church here yesterday, Rev. Fred W. Stacey, pastor, to New York City as one of the un-American cities in America, Fifth Avenue as a wart on the nose of the nation.

Admitted, however, that as many in New York are anxious for good, evil is wrong way to find it. There are anxious for evil, the evil being the evil ones made noise.

Mr. Stacey said it would be a calamity to have the prohibition on the statute books, which than to have it repealed.

"If the law ought not to be obeyed, then it should be off the books," said he.

FRIES TO LECTURE BEFORE ARTS CLUB

Brig. Gen. Amos A. Fries, chief of the chemical warfare service, will give an illustrated lecture before members of the Washington Arts Club Thursday evening in the club garden. A series of other open-air entertainments and dinners has been arranged for the summer months by Professor Mitchell Carroll, chairman of the entertainment committee. Mrs. Henry K. Bush-Brown will be in charge of the club dinner July 14.

The summer amusement committee, of which Mrs. William James Monroe is chairman, has arranged "A Midsummer Night's Dream" for each Tuesday evening.

MARYLAND MAN GETS CAMP PUBLICITY JOB

CUMBERLAND, Md., July 5.—Harold R. Krimm, who was connected with the Bridgehead Sentinel, Camp Dix, N. J., which has just suspended publication, is having been the organ of the First Division, has been appointed by the officials in charge of the C. M. T. C. to handle the publicity for the Plattsburg training camps. Before taking up his new work, Mr. Krimm will spend a vacation in Maryland. He will take over the Plattsburg publicity work around August 7. Mr. Krimm, who formerly was engaged in newspaper work in this city, is a son of Mr. and Mrs. Noah R. Krimm.

HUSBAND MUTILATED; WIFE HELD AS SLAYER

HAVERHILL, Mass., July 5.—Soon after the mutilated body of Frank Farina had been found in a field on the outskirts of this city yesterday, his wife Catherine, was arrested on a charge of murder. Their fourteen-year-old daughter, Virginia, told the authorities that her parents quarrelled and later left the house.

Mrs. Farina made no statement. Her husband apparently had been killed with an axe.

OLD YEAST EATERS NOW TAKE TABLETS

Tablets Easier to Take—Results Quicker and More Economical.

CHEMISTS CONDENSE THE VITAMINE FROM YEAST

Objectionable features and slow results with ordinary yeast have caused thousands to give up the Vitamine treatment, but now—thanks to modern chemistry, you can buy tablets containing a proper dose of concentrated Vitamine (Water Soluble B) from yeast, with the still more important "Fat Soluble A" Vitamine.

These "Phos-Pho Vitamine" tablets, made expressly for medical use, contain nothing to disturb the weakened stomach, as plain yeast may do. Results are quicker, economical. To banish pimples, carbuncles, etc., help cure constipation, beautify complexion, restore weight and rebuild the body, these Phos-Pho Vitamine tablets produce most unusual results.

Doctors, druggists and chemists prefer this newer, better way to take Vitamine. The tablets are made of the finest ingredients in one of America's oldest and largest laboratories, Peoples Drug Stores, Washington, D.C.
